

# 2<sup>nd</sup> International Sulfosalt Symposium

## Tavagnasco, Italy

### PRELIMINARY AGENDA

**Thursday August 10<sup>th</sup> 2017** (arrival/registration in the afternoon)

**Friday August 11<sup>th</sup> 2017**

09:00	Welcome & opening comments (presence of the Major of Tavagnasco)	Luca Bindi
09:30	Sulfosalts symposia – what for?	Philippe Roth
09:45	What the IMA-CNMNC Commission tells us	Marco Ciriotti
10:00	Introduction to the geology of Tavagnasco	Piergiorgio Rossetti

10:30 *Coffee break*

11:00	News about sulfosalts from Lengenbach	Philippe Roth / Thomas Raber
11:45	News from the TI deposit of Buus (Basel Land, Switzerland)	Stefan Ansermet / Nicolas Meisser

12:00 *Lunch break*

13:30	News from Vulcano, Italy	Daniela Pinto
14:00	Sulfosalts from Apuan Alps – Recent advances in mineralogical studies	Cristian Biagioni
14:30	Cu-sulfides and tellurides from Belgium	Frederic Hatert

15:00 *Coffee break*

15:15	News about FACES	Georges Favreau
15:45	French mineralogy and French sulfosalts	Yves Moëlo
16:15	Freibergite and other Ag-minerals from Apennines	Federica Zaccarini
16:45	Going inside the structure of some recent sulfosalts from Lengenbach	Emil Makovicky
17:15	Another look at modularity of sulfosalts	Emil Makovicky

18:00 *Social dinner* (included in the registration fee of 40 €)

Evening lecture

20:00	News from the quasicrystals adventure (optional)	Luca Bindi
-------	--	------------

**Saturday August 12<sup>th</sup> 2017**

09:00	News about Ag-sulfosalts from Uchucchacua, Peru	Frank Keutsch
09:30	Miracles at Merelani	John Jaszczak
10:00	Hungarian sulfosalts	Csanad Loranth
10:30	Crystal structure study of silver-palladium chalcogenides	František Laufek
11:00	The high pressure behaviour of emplectite and chalcostibite: a comparison	Sabrina Nazzareni

11:30 *Coffee break*

11:45	News from China: fascinating rare TI sulfosalts	Favreau / Crumbach / Roth / Raber
12:00	Selenium minerals from La Creusaz U-deposit (Valais, Switzerland)	Nicolas Meisser / Stefan Ansermet
12:15	Highlight on a recent new mineral from Tavagnasco: ciriottiite	Luca Bindi
12:30	Mineralogical differences between Borgofranco and Tavagnasco mineralizations	Giovanni Dalla Fontana

12:45 *Lunch break*

	<b>Visit to Tavagnasco tunnels</b>	All
